# Compostable CPLA Cutlery

Sabert compostable cutlery line features high performance. It includes knife, fork and spoon featuring high performance and extra strength to pair with any cuisine type. The stylish and modern look of compostable cutlery accommodates the increasing sustainable demand!

- Made from renewable plant-based natural resources(PLA), more environmentally friendly compared with conventional plastic products.
- Meets ASTM D6400 & EN13432 compostable standards.
- Both BPI and TUV Austria certified for industrial compostable.
- Crystallization process improves rigidity and increases heat tolerance up to 85°C.

**Any occasions / applications that customer prefer to use more environmental friendly cutlery:**

- Quick service restaurant
- Bakery and café chain
- For take-away and delivery
- Life-style supermarket
- Amusement park
- Tourist attractions
